- ✓ No commission fees, ongoing fees and no transaction fees for all Visa/Mastercard credit card transactions.

A couple of years ago the RBA dropped the rate for charities via the VISA/MasterCard interchange to 0.00%. ANZ passed the full rate drop on to Shout For Good, who in turn have passed this to any donors/charities that wish to use our platform. This means for any VISA/MasterCard transactions via Shout For Good, the charities will receive 100% of the donation [#whatyougiveiswhattheyget](#)
