YOUR WORKPLACE AND US

> THE issue

Caritas Australia works hand in hand with the most marginalised and remote communities in Australia and overseas, to confront the challenges of poverty.

> OUR response

Through locally-led programs, we work with all people, with shared hope and compassion, towards a world where all can thrive and reach their full potential.

AN IMPACTFUL PARTNERSHIP

- > **50 employees (\$13,000 pa)** can provide 85 toilets that will improve health outcomes for 430 people in Cambodia.
- > **100 employees (\$26,000 pa)** can provide a community with livestock and materials to start a farm and improve food security in the Democratic Republic of Congo.

CARITAS AUSTRALIA AT A GLANCE

What we do

Where the need is greatest, Caritas Australia works in communities, with communities, on locally-led programs to address the immediate challenges of poverty today, and to drive lasting change for a just tomorrow.

How we do it

Through partnerships with local organisations and Church networks, and as a member of Caritas Internationalis, one of the largest humanitarian networks in the world, we are able to reach where the need is greatest and work together for a just future.

MORE ABOUT CARITAS AUSTRALIA

We accompany communities to build on existing local strengths and resources, supporting them to drive their own development, for more transformative and sustainable change. When a crisis hits, we work through our local partnerships to bring aid and relief to people whose lives have been devastated by natural disaster or conflict. We advocate for social and ecological justice for those most impacted by inequality.
